### MISSION

Passionate about **application design and development** in all of its layers, I am looking for new career opportunities with a *larger space to evolve and make a change for the better*. I thrive with *learning and problem-solving challenges* in everyday life and aim to always be better than yesterday.

### PROFESSIONAL EXPERIENCE

- from 2020-05 to present  
**Full-Stack Application Developer, Junior at Lodecom, Saint-Sulpice/France**
  - Charged with complete rethinking of the public reservation Web platform in *Less, Vue.js, Node.js* and *Sequelize* with *TDD*
- from 2018-09 to 2020-04  
**Full-Stack Application Developer (Internship) at Lodecom, Saint-Sulpice/France**
  - Proposed, designed, developed and deployed several modules on an existing internal Web platform for database transfer and configuration in *Twig, CSS, Vue.js, Php*, and *Mysql* with *TDD*
  - Proposed, self-taught and developed a proof-of-concept mobile app for public reservation platform in *Flutter-Dart, MongoDB* and *Node.js* for *Android* and *IOS*
- from 2016 to present  
**Personal Projects**
  - Started the Turkish version of the official *Vue.js Documentation Website* (on my Github)
  - Self-taught, designed, built and deployed a basic interactive Web app with several game modules for teaching vocabulary in *Html, CSS, JQuery, Php* and *Mysql* (hosted at traductionturcfrancais.com)
  - Self-taught, designed, built and deployed two basic *Android* apps, one for teaching phonetics and another one for teaching grammar.
- from 2006 to 2018  
**Freelance Translator & Interpreter in Turkish, French and English**

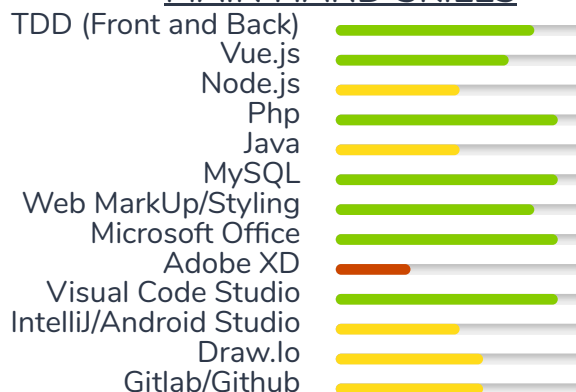

### EDUCATION

- from 2018 to 2020  
**Bachelor's Degree in Software Application Development - AP Formation, Toulouse/France**
  - Lectures and small projects in *Javascript, Typescript, Angular 2, Agile Development and Application Design, MySQL, Php, CodeIgniter, Java SE, Java EE, Spring, Hibernate, Android* and *Node.js*
  - Term Project: Design choices and best practices for an internal database transfer application.
- from 2011 to 2013  
**Master's Degree in Linguistics and Translation - Strasbourg University, ITIRI, France**
  - Term Project : Linguistic analysis and translation of 'Turcs et Grecs : Entre Eris et Eros au tournant du siècle', a socio-political research book about Turkish-Greek relations.
- from 2004 to 2009  
**Bachelor's Degree in French Literature - Hacettepe University, Turkey & Toulouse University - Mirail II, France**

### MAIN SOFT SKILLS
